Terms & Conditions

1. Web Design Process

We will work with the Client to develop and design the website according to the Client's specifications as outlined in the agreed-upon quotation. The design process will involve regular communication and feedback from the Client to ensure satisfaction.

2. Image Sourcing

The Client is responsible for providing any images or content required for the website. Should the Client request outsourced images, an additional charge of R500 will be applied for every 10 pictures sourced by us.

3. Domain & Hosting

We will provide guidance to the Client regarding suitable domain and hosting providers, ensuring that intellectual property rights belong to the Client. If the Client opts to host with KAYISE IT, we will provide pricing for our hosting plans. KAYISE IT will set up the shell and provide login details for the Client to complete the purchase of domain and hosting services.

4. Maintenance

We will rectify any errors on the website for a period of one year from the completion date. These errors refer to technical malfunctions or bugs that affect the website's performance. Any additional work or updates requested by the Client will be subject to a separate quotation.

5. Payments

A 50% deposit is required before we commence development work on the website. The remaining balance will be due upon completion of the project, prior to the website being made live.
