1. WEBSITE DESIGN PROCESS

ARTISTIC DESIGN & Website layout, Creation of web graphics, page design backgrounds or website skins. Optimization of graphics to ensure a fast-loading web page. Editing, cropping, modification or adjustment of images needed. Ensure the usability & credibility of web pages. Coding of Html/XHtml structures of your website & ensure that it follows the latest web standards, looks professional & modern. Coding cascading style sheets (CSS) for your website pages.

If there is any needed functionality which is not listed above, you can inform us, we will provide client specific quotation.

4. TECHNICAL SUPPORT

We will provide a 1-year Free technical support for you after launching your site on the world wide web(www). We will answer your questions regarding website management, technical details or anything about operating your own website; we can provide this through email or by phone (+27 79 558 7704).

Note: if you do not have time to manage & maintain your website, we also offer a website Maintenance service, please contact us if you need these services and we will send you a quotation.

3. PAYMENT FOR SERVICES

Payment: at the start of the development process for your company website, deposit 50% of the total development costs, the remaining balance will be paid after launching your website on the world wide web(www). We will start the development immediately upon receiving the initial payment. Upon confirmation of payment we will start the development process, set up hosting & register a domain for you.

4. VALIDITY OF QUOTATION

Our quotations are available for 30 days from the date of the quotation. If you have any other queries regarding the quotation, please email us or call us.

Please Note: Images and written content must be supplied before work begins, unless arrangements have been made with Kayise IT to develop written content and/or source images for the website.
